PROFESSIONAL EXPERIENCE

Omnicom Media Group India (PHD Media) **Mumbai, India** **Jun 2024 – May 2026**
Advanced to Media Executive (Integrated Media Planning) **Mumbai, India** **Jun 2025 – May 2026**

- Developed and executed integrated media plans for print, radio, and digital platforms, continuously expanding expertise in TV planning to enhance campaign effectiveness.
- Worked for Major clients such as Marico Limited, Shriram Finance Limited, Development Bank of Singapore, Bajaj Consumer Care Limited & Atomberg Technologies Private Limited.
- Executing media plans with extreme optimization to increase the efficacy of the media strategies for all the said clients while also being an essential part of all the pre & post evaluations of the market to ensure the perfect media plan.
- Playing a key Role in Marico's launch campaigns after the client acquiring pitch. Resulting in producing detailed plans & reports for PAN India media strategies for one of the top FMCG companies in the country.

Media - Management Trainee (Integrated Media Planning) **Mumbai, India** **Jun 2024 – May 2025**

- Trained in BARC Yumi Analytics & TAM Media Research, utilizing its analytics capabilities to optimize media strategies & reports.
- Delivered and executed detailed reports & presentations on a weekly & monthly basis to analyze the competition in the market and to dissect their strategies.
- Played an essential role while developing the Launch campaign for Shriram Finance after securing the pitch. Executing Pro Kabaddi League & DTH plans achieving desired campaign delivery.
- Contributed during the Launch campaign of Atomberg after securing the pitch to streamline data generation and analysis for a seamless TV media strategy with addition to a detailed competition analysis.

Grabbit Empire Industries Ltd. **Mumbai, India** **Sep 2023 – Dec 2023**
Marketing Intern

- Performed extensive keyword analysis to boost SEO & SERP for the three divisions of Grabbit Empire: Grabbit+, Empire 1900 & Emperia 1900.
- Played a pivotal role to coordinate with website designers to develop and integrate content into the company's all three websites. Yielding aesthetic coherence along with product portfolio designing.
- Curated meticulous social media calendars with a roadmap for set deadlines in addition to providing detailed insights and strategies in order to boost the brand awareness of the company.

PROJECTS

Wolves Records – India Market Entry Strategy | University of Wolverhampton x Wolverhampton Wanderers FC | 2023

- Runner-up. Six-person team (“Mind Hive”) briefed to build a go-to-market strategy for Wolves Records, the club’s Warner Music UK / ADA-backed label, entering India.
- Devised “Sound War”, a timed composition contest pairing emerging artists with producers and signing the winning team to the label — functioning as both an A&R pipeline and the launch campaign.
- Produced the supporting analysis: industry structure, STEEPLE, SWOT, Gen Z segmentation and positioning, full marketing mix, 24-month rollout plan, media kit, cost-benefit analysis and CSR plan.
- Channel plan spanned Instagram influencers and campus ambassadors, Snapchat, YouTube, Twitter, Google remarketing and email, with radio (Radio Mirchi, Red FM, Radio One), print and mall pop-ups offline.

HONOUR & AWARDS

Student Council & Extra-Curricular Activities

- Demonstrated Leadership by actively being a part of the student council for two years as Asst. Discipline in Charge followed by Asst. Sports Captain. Additionally, participated in multiple Leadership Councils.
- Recognised with the ability to perform under pressure while demonstrating teamwork & consistency to become a top medallist athlete in many sporting activities as well as a demonstrate my abilities in creating innovative ideas & strategies in International Projects for Wolverhampton Wanderers FC & Wolverhampton Business Plan competitions coming runner up & second runner respectively.
- Poet and authored published anthologies under the pen name of “Alexander Rose” showcasing my creative abilities & mastery in literary craftsmanship. This side was also explored in intercollegiate competitions where I was awarded victorious to write a poem on “Mumbai – A Financial Hub” amongst hundreds of participants.
